

the community, or (2) the community referendum committee or any member thereof has reason to believe that such person has previously voted in the referendum in another community in the same or another county in person or by mail, or (3) the person's name and address have not been entered on the register of eligible voters, prior to its delivery to the referendum committee, unless the referendum committee is satisfied that the person is eligible to vote. In every case where the eligibility of the voter is challenged, his ballot form, after being marked by the challenged person so as to show how he votes, but in such manner that no one else sees how he votes, shall be folded and placed by him (or by a member of the committee if he refuses) in an envelope, which shall then be sealed and placed in another envelope, identified with his name and address, the word "Challenged" and a statement of the reason for the challenge, and shall then be placed in the ballot box. The county committee shall make an investigation in each case of controversy or dispute regarding the eligibility of a voter to vote in the referendum. In each case of a challenged ballot the eligibility of the person to vote in the referendum shall be determined by the county committee as soon as may be possible after the polls are closed and before the time for forwarding to the State committee the county summary of ballots. If it is determined that the person whose vote was challenged is eligible to vote, the sealed envelope containing the ballot shall be placed with the challenged ballot of every other person found to be eligible to vote until all challenged ballots have been passed upon by the county committee. If it is determined that the person whose vote was challenged is not eligible, the sealed envelope shall be marked "Not eligible" and signed by a member of the county committee and shall not be opened. When all of the challenged ballots have been passed upon by the county committee, the challenged ballots which were cast by eligible voters shall be opened and tabulated on the county summary of ballots, but no disclosure shall be made as to how any particular person voted.

(e) *Ballot box.* Each polling place shall be furnished with a suitable ballot box. Any container of sufficient size so arranged that no ballot can be read or removed without breaking seals on the container will be suitable. When strip adhesive paper or corresponding seals are used on the ballot box, such seals shall be signed or initialed by the chairman or a member of the community referendum committee so that breaking or replacing the seal will so destroy or affect the identifying marks as to show that the seal has been tampered with.
